

NOTE: This is a list of merchants intending to implement the SIGIS IIAS standard. The planned merchant implementation dates shown have been provided by the merchants and may be subject to change. This list will be continually updated as additional merchants are certified and implementation dates change. Check back often!

²The prescription subtotal is optional for merchants to support when implementing their IIAS systems. This column Indicates which merchants have chosen to provide the prescription subtotal in their card authorization requests. Some benefit plan balances are restricted to prescription drugs and require this additional information for approval. For clarification of the restrictions on your card, please speak to your plan administrator.
